

SEMPERVIVUM

A STORY OF SURVIVAL AND LIBERATION

CIA. MAR GÓMEZ

DANCE THEATER AND LIVE MUSIC

SYNOPSIS

Sempervivum is a dance theater solo by director and choreographer Mar Gómez. An interdisciplinary show with live music that moves between realism and parody.

sempervivum tectorum is a perennial plant that is very resistant to the most difficult growth conditions. **A survivor.** Just like the main role of Cia Mar Gómez's show, a character who presents, in a humorous way, the bizarre story of a woman trapped in the sexist values of our current society.

A story of resistance and liberation over our own confinements, the hardest to escape.

ARTISTIC CAREER

Cia Mar Gómez is a dance theatre company that mixes a personal choreographic language with some characteristic traits such as theatricality, narrative ability, poetical images, gesture, a strong physicality and above all, a great sense of humor.

The company was created in Barcelona in 1992 and since then it has been creating and performing worldwide for almost 30 years. Throughout this journey Cia Mar Gómez's indoor and outdoor shows have always provoked an extraordinary complicity with the audience. This has led to numerous and widespread national and, in recent years, international tours and also a well-known reputation of the company, that has become a reference of the Spanish contemporary dance scene.

The company has performed in some of the main international performing arts festivals especially in Europe and Latin America and in some occasions in Asia and Africa. Cia. Mar Gómez has performed in FITS SibFest (Rumania), SIDance (South-Korea), Beijing Fringe Festival (China), GDIF Greenwich+Docklands International Festival (UK), Sztuka Ulicznicy (Poland), Arkhangelsk International Street Festival (Russia), Paderborn Performance Festival (Germany), Freiburg's Internationale Kulturbörse (Germany), Festival Prisma (Panamá), Festival DanzaExtremadura (México), to mention a few.

In various occasions the company's shows have been coproduced and/or programmed by international festivals in Spain, such as Grec Festival, Fira de Tàrrega and Festival Sismògraf.
