

SWING IT!

dance theatre show-interactive workshop

CIA. MAR GÓMEZ

SYNOPSIS

“Swing it!” by Cia. Mar Gómez

Dance theatre and swing for all audiences

This time ... **we dare to swing!** A dance theatre show that mixes the choreographic language of the company with this fashionable social dance.

Swing it! consists in a short piece of dance theatre, followed by an **interactive workshop** where the audience can enjoy themselves as they learn the basics of swing **with great doses of humor!**

Performance with no text

Workshop in cat/cast/eng/it

Exhibition (10 min) + interactive activity (50min)

All audiences

Premiered in September 2017 at MAC – Mercè Art de Carrer, Barcelona.

INTERACTIVE ACTIVITY

The show transforms, engaging with the audience, into a theatrical workshop where a sequence of movements will be taught and the participants will be **invited to create and express themselves through theatre, dance and playing!**

The soundscape is integrated into the choreography and will make it easier for the audience to make their own personal variations.
Dance and fun guaranteed!
